CREATING IN COLOR

Color is a powerful form of expression.

Color can be used to tell a story or enhance a mood.

Your favorite color holds a special meaning
to you and creates a certain feeling of peace and relaxation.

Since 1973, we at Marvy Uchida have been
creating colors and different ways to use them.

Our hope is that every customer has the chance
to use our pens and markers to add a little bit of color to your life.

No matter the occasion or the reason,
we were all intended to "Create in Color".
